Sub : Regarding the arrest of the following people who are also related to Chikoti Praveen.

Sir! Recently, there is a lot of excitement that you registered a case against Chikoti Praveen from Hyderabad and is investigating it. He has relations with many MLAs of Telangana state and other celebrities are coming out day by day. Kalvakurti MLA G. Jaipal Yadav was the Honorary Advisor to our **Mudra Agriculture & Skill Development Multi State Co-operative Society Ltd.** and his son-in-law Prasad continued as the Board of Director of the society for a few days. Jaipal Yadav's daughter G. Jyoti continued as the Regional Manager for a few days and then as the Board of Director. Along with Jaipal Yadav, his friends Amberpet MLA Kaleru Venkatesh, Mushirabad MLA Mutha Gopal, Telangana Chief Minister Kalvakuntla Chandrasekhara Rao's relatives Jupalli Rameswara Rao, head of TV9 companies, and Human Rights Commission member N. Ananda Rao brought and introduced Chikoti Praveen to me a year and a half ago. We have transacted with Praveen as per the rules of the society. We went ahead with the goal of depositing one hundred crores to the Reserve Bank to convert our society into a bank. As Jaipal Yadav gave assurance and his daughter signed as surety, out of this one hundred crores, 50 crores were kept with Praveen, 30 crores with Jupalli Rameswara Rao, 10 crores with MLA Kaleru Venkatesh and Mutha Gopal. They asked us to put the black money of one hundred and fifty crores of the above mentioned people in the society account and convert it into white form and take our one hundred crores. I did not agree to this. After that some transaction documents related to these MLAs went to Praveen from me. We hid some of these in my flat (Flat No.10, M.I.G.`2 Block, APHB Building) at Baglingampally in the heart of Hyderabad city, in our Nallakunta central office. Justice G. Chandraya, Chairman of Human Rights Commission, who was fined 10 lakhs by our society, Justice B. Chandrakumar, retired High Court Judge, who was fined 20 lakhs, Chairman of Telangana BC Commission Vakulabharanam Krishnamohan, who was fined 20 lakhs, as part of a conspiracy by Nallakunta CIG Habulaghuda Ravi, Kachibula. , Kachiguda ACP Akula Srinivas, Chikkadapally ACP CH Sridhar, Chikkadapally CI Sivashankar, S.I. C.H.Srinivasula Reddy, Banjarahills SI K. Ramireddy, Kachiguda retired ACP S. Sudhakar seized the offices of Nallakunta Barkatpura on 28`10`2021. The police stole the documents of the above celebrities from these offices. After that, when I was somewhere else with my family members, on 09`11`2021 at midnight in my flat in Baglingampally, local bullies and thieves gang of Mega Wines owner N.Sathyanarayanamurthy and K.Narsimha who worked as the vice chairman of our society broke the locks and sent inside the documents belonging to Chikoti Praveen. , stole documents of other celebrities. Narsimha's couple were arrested by the police in my own flat. However... I have some more documents related to these MLAs and Chikoti Praveen. I have carefully hidden them elsewhere. As Jaipal Yadav has the power, all 20 members of the Board of Directors, C.E.O. Venkateshwarlu, another vice-chairman V.Chandrasekhar, seven zonal managers and some other corrupt employees were gathered and the entire fault and pretense was put on me as the chairman. Praveen has an A.P.I.I.C. in Andhra Pradesh. MD J.V.N.Subrahmanyam, DGM Srinivas Reddy, CGM. F. Subbareddy and Executive Director Sudarshan Babu are also doing it. I have asked them to register a case against all of them whom I mentioned in this petition. I can show them the original documents and other evidences related to this while interrogating me.

Note: Police and robbers stole society's money from Nallakunta office worth one crore rupees and my personal money from Baglingampally flat above five lakhs.

Yours faithfully,

Thippineni Ramadasappa Naidu
